

Full Time/Part Time Golf Course Maintenance Worker Wanted

POSITION SUMMARY

The Golf Course Maintenance Worker is responsible for performing a variety of labor tasks related to the operations and maintenance of the golf course

Supervisory Relationships

The Golf Course Maintenance Worker reports to the Golf Course Superintendent.

JOB RESPONSIBILITIES

Essential Functions

- Maintain tees, fairways, roughs, bunkers, fringes, and greens as well as all areas adjacent to the course.
- Mow and edge grass, remove weeds, prune trees and shrubs, and perform other landscaping tasks around the course and surrounding buildings as needed.
- Assist with the planting and cultivation of turf, plants, shrubs, trees, and other natural areas.
- Inspect golf course grounds and facilities for hazards or unsafe conditions and report findings to supervisor.
- Participate in the operation and maintenance of irrigation and drainage systems.
- Perform other duties as assigned.

Minimum Education and Experience

- High school diploma or equivalent is preferred.
- Experience working in a like position with similar duties or responsibilities and/or basic knowledge of golf course operations is preferred.
- Valid driver's license and reliable transportation

Work Environment and Physical Demands

Work is primarily performed outdoors under various weather conditions, including heat, cold, rain, snow, or ice. Duties will be performed in close proximity to the general public and the employee may have frequent interactions with patrons. While performing the duties of this position, the employee may be exposed to hazardous flora and fauna (e.g. poison ivy, wild parsnip, biting/stinging insects, ticks) and chemicals (e.g. cleaning supplies, herbicides/pesticides, and gasoline/oil). The employee may also be exposed to machinery with moving mechanical parts and high noise levels.
